# ECVC 2025 EXHIBITOR/SPONSOR CONTRACT

## Meeting Sponsorship and Management

The Emerald Coast Veterinary Conference and exhibit halls are produced and managed by the Emerald Coast Veterinary Conference, LLC, hereinafter referred to as the "ECVC".

## Floor Plan Assignments

The arrangement of exhibit space is shown approximately on the diagram. All dimensions and location shown on the floor plan are believed, but not warranted, to be accurate. The ECVC reserves the right to make such modifications to the floor plan as may be needed without notification. Space is assigned on the following criteria: 1) 2025 ECVC sponsors; 2) 2025 ECVC exhibitors; 3) first come, first served; 4) others in order of payment (not contract) received. Each exhibit includes an 8' x 8' booth of pipe and drape, a 6' table, 2 chairs, 2 exhibitor badges, and a listing of convention attendees.

## Badges

Badges must be displayed at all times. Additional badges may be purchased for an additional fee at ECVC's sole discretion. Any vendor personnel or agents without badges may be removed from the conference. Badges issued for use are valid for the named vendor personnel only and cannot be transferred. Show management is not obliged to provide replacement badges. Badges must not be used by any other person, company or third party for marketing, media, sale promotion, or competition purposes whether commercial or non-commercial except with prior written permission.

Exhibitors must ensure they have photographic ID with them during the Event. If unable to provide identification which matches your badge, show management has the right to require exhibitor personnel to leave ECVC immediately. Show management may refuse exhibitor personnel further access to ECVC if at any time there is reason to believe that exhibitor has: a) breached any provision of these terms; b) committed a criminal offense; c) behaved in a disorderly manner or in a way that has an adverse effect on public safety or the operation of ECVC; or d) behaved in an anti-social manner or in a way that causes a public nuisance, and in such event exhibitor agrees that show management will have no liability to exhibitor, nor will there be any credit, refund, or return of fees for such removal.

## Use of Exhibit Space During Exhibit Hours/Prohibition

- Acceptance of exhibit space makes it obligatory on the part of exhibitor employees that they not deface, injure or mar the area. Any damage done shall be made good by the exhibitor to the owners of the building.
- The exhibitor shall not display or place any product, sign, partition, apparatus, shelving, or other construction that extends beyond their exhibit area.
- Sound levels may not be distracting to neighboring exhibits.
- Exhibitors must conform to rules and regulations concerning flammable and hazardous chemical products and materials as set by OSHA.

## Stand Content and Marketing

Exhibitor must ensure that the any materials or information provided, used or presented at ECVC in relation to stand space are only veterinary products and services and are not marketed for human use or products. In the event, in show management's sole discretion, it is deemed exhibitor is marketing products that are not closely related to the veterinary field, show management may cancel exhibitor's stand space and remove exhibitor from the event with no return of fees paid for the stand space. Exhibitor must not engage in any joint promotional activity or otherwise exploit any of the stand space rights with or in connection with any third party, nor exercise the stand space rights in such a manner that confusion may arise in the minds of the public as to the party to which has been granted the stand space. Exhibitor materials and stand space may not include anything defamatory, obscene or offensive, cannot cause injury, invade the privacy of, infringe or otherwise violate show management rights or rights of a third party and does not put show management in breach of applicable law.

Exhibitor must ensure that stand space is left in good order and in a clean condition at the end of the ECVC and in accordance with the rules and regulations set out in the ECVC Exhibitor Manual. If exhibitor fails to do so, show management may carry out these obligations and, at our election, retain or dispose of any items remaining at the stand space, and exhibitor will be liable to show management for any costs so incurred. Exhibitor must arrange adequate insurance to attend ECVC and failure to do so will be a material breach of the contract. Show management can ask for evidence of insurance upon request.

## Cancellation of Exhibit Space

Notification of space cancellations must be made in writing. The ECVC's policy for refund of fees allows an 80% refund IF THE SPACE IS RESOLD. In the event of cancellation, ECVC assumes no responsibility for having included the name of the canceled exhibitor in convention materials. Security It is the responsibility of each exhibitor to provide for the security of the booth and its contents, and to take whatever precautions deemed necessary to prevent loss or damage. Please do not leave any small hand carried items in your booth unattended. Compliance with these rules will help provide maximum security.
